This appears below the upload screen

The screenshot shows the 'My EBU' software interface. At the top, there's a navigation bar with links for 'My EBU', 'Sessions', 'Statements', 'Utilities', 'Members', and 'Reports'. On the right side of the header are 'Submit' and 'Account' buttons. Below the header, there's a large file upload area with a placeholder image for a file named '8206_Pairs_KENT_10am_'. A progress bar at the bottom of this area indicates '100%'. Below the progress bar, there's a file list with a single item: '8206_Pairs_KENT_10am_Duplicate_30th_May_2020_2020-05-30_UMS.xml'. To the right of this list are buttons for 'Remove', 'Upload', and 'Browse ...'. A note below the file list says 'For help on the submission process, or creating a USEBIO file, see our wiki.' Below this, a message states 'Uploaded sessions will appear below for you to deal with'. A modal window titled 'Format PAIRS' is open, containing fields for 'Description' (set to '#8206 Pairs KENT 10am Duplicate 30th May 2020'), 'Session date' (set to '2020-05-30'), and 'UM Subscription Code' (set to '20 - County Session'). There's also a 'Submit' button.

Ensure the UM Subscription code is 10 for a normal Club, or 12 for master points but no NGS, or 11 for no master points and no NGS. (The one shown is for a county code 20)

You may need to resolve any unknown players

The screenshot shows the 'My EBU' software interface with a 'Select Player' dialog box overlaid. The dialog box has two input fields: 'Player Forename(s)' with 'Alka' typed in, and 'Player Surname' with 'Bali' typed in. Below these fields are two blue buttons: 'Look up this name' and 'Look up this number'. An arrow points from the text 'Click on "look up the name" or "look up the number"' to the 'Look up this name' button. Another arrow points from the text 'and then once found pick the player (or this player was a guest if it cannot be found)' to the 'Look up this number' button. The dialog box also contains a note about selecting 'Guest' and instructions for creating a new EBU record. In the background, the main interface shows a session list with items like 'Dyer Smith Mixed Pairs Overall' and 'Session *1*'.
